Your group makes it to the end of Copper Drive and heads east. The smell of salt water floods your nostrils, and the edge of a pier is visible 500 feet away. Sea gulls perch atop the warehouses, quiet and still like gargoyle statues warding off danger. Emma and Heather are in idle chatter, which you have learned to tune out during the car ride. Across a thin alleyway is a parking lot and beyond it rows of small blue-and-white cabanas line the pier.

Rounding a corner, you head straight into a pack of zombies not more than twenty feet away. Five of them in all, they turn in unison toward you and let loose a guttural, common growl which instantly makes your heart race.

Heather screams and Emma stands frozen in place.

What do you do?

- ☒ Stand and fight, giving your group time to run.
- ☐ Grab Emma and Heather and run back to the meat truck.
- ☐ Tell Devlin to stand and fight while you get Emma and Heather away.
